

REV3 TRIATHLON

TRI CLUBS

Revolution3 is thrilled to be back in blue and our biggest focus for 2016 is going to be on YOU, the clubs, who are responsible for the continued growth of this sport. We know you have several options to choose from when picking a race for you club and we appreciate your support.

We have come up with a few incentives for your club to race Revolution3.

We will provide any club that is interested in racing a discount code for 10% off. This will be a unique discount code for your members only. Only clubs will be receiving discount codes in 2016, we ask that you do not share this code with the public outside of your club.

We will also provide 1 free entry for every 10 athletes that you have register with your unique discount code. These free entries can be used however you please. You can choose to use them for the 2016 season or as raffle items for the end of the season party or holiday parties for 2017.

We want to work with you all to ensure you and your club are well taken care of and have an amazing experience at Revolution3 races. If you have any ideas or suggestions of how we could work with your club uniquely please let us know.
